

Pilot

```
graph LR; Pilot --> Site_Deployment; Site_Deployment --> Close;
```

The diagram illustrates a three-step process flow. It begins with a box labeled 'Pilot', which is underlined. A curved arrow points from this box to a second box labeled 'Site Deployment', where both words are underlined. A second curved arrow points from the 'Site Deployment' box to a final box labeled 'Close', which is also underlined. All three boxes are white with an orange border and are set against a light blue background.
