

**Select Outcomes for
Analysis**

```
graph LR; A[Select Outcomes for Analysis] --> B[Analyze Causes]
```

The diagram consists of two rectangular boxes with rounded corners and orange borders. The first box on the left contains the text 'Select Outcomes for Analysis'. A curved arrow with a black outline and a black arrowhead points from the right side of this box to the left side of the second box on the right, which contains the text 'Analyze Causes'. The background is a light blue color.

**Analyze
Causes**
