Subject: Tom Price

Good morning.

Tom will return to Clover Care sometime today.

Caroline asked for no visitors until 12/25. Tom found the whole experience of being hospitalized and then moved to rehab very disorienting. She is hoping to get him reacquainted to the living arrangement and care providers before he has any visitors.

As soon as possible, we will be getting an appointment with the urologist to try to prevent the recurring UTIs that Tom has had. That could happen as quickly as the week after Christmas.

Any potential visitors may want to call Clover Care and check to see if Tom is there, and will be there, before they make the drive.

Thank you.
