Good morning.

I am having issues with the new account setup at Creative Planning. I have been referred to Maggie Fisher at Creative Planning, but I don't think she is still working there. Adam Hoopé didn't call me back yesterday.

I am being asked to make, or set up recurring payments, for Mr. Price. I have never had much luck establishing a bank account or taking charge of assets as a Temporary Conservator. Paying the bills is not something that I am likely to do. It is not clear to me that Creative will do it. Edward Jones will do anything I ask at this point, so I am inclined to set up the payment to Benton House with them.

My Temporary authority will lapse in about 8 days.

Have a nice day.
