Based on the Court hearing today and the Zoom meeting that followed, I am going to take the Order transferring the Edward Jones accounts to Creative Planning, under advisement until Leslie Byram has had an opportunity to discuss the matter with Mr. Price.

My course of action will depend on her findings and the status of my Temporary Authority and whatever circumstances exist at that time.

I will keep you informed.

Thank you.

Everyone - I just spoke with the legal department at Edward Jones and they will require a subpoena to release information to me that is above and beyond basic financial account statements, specifically account notes and internal memos. I will file the subpoena but I just want to make sure no one is objecting to this so I don't have to prepare the statutory notice (do I even have to do that as a GAL? I don't know but figured I would just email everyone, and I would hope there are no objections, but please let me know). Thank you in advance.
