A. Designation of Authorized Person

The undersigned hereby authorizes Thomas J. Price III (whose signature appears below)
 as their agent and attorney in fact to follow the instructions in respect to the undersigned's account.

B. Type of Authorization

- Check all applicable boxes. Make certain that one, two or three boxes are checked or the form will not be accepted.
 - Boxes must be marked for this authorization to be valid.
- Buy, sell and trade in stocks, bonds and any other securities in accordance with your terms and conditions for the undersigned's account and risk in the undersigned's name or number on your books.
- Request delivery of securities and payment of monies to the account owner(s).
- If there are check-writing privileges for the undersigned's account, accept their signature on any check application as a signatory, along with the signatures of the listed account owners, and honor any checks they sign if the check is signed in a manner which complies with the terms listed on the check application.
